Finally, a highly sought-after, high level apartment is available for the next lucky Aurora Tower owner. This beautifully presented apartment has near new painting, carpeting and lighting and has a stunning Brisbane City and River outlook through long wide full-length glass windows to the oversized balcony and the world beyond. One of the best aspects of this floorplan is the abundance of light availed by large windows which line the living area, kitchen as well as both bedrooms.

The spacious and stylish kitchen includes high quality appliances, crisp long granite benchtop, gas cooking and has the huge benefit of an opening window to help with those apartment living cooking challenges!

The master bedroom features a large walk through
